HIRING

JOURNEYMAN LINEMEN

Novinium. More experience. More success. More breakthroughs. Novinium is the world leader in technology to rejuvenate and extend the life of underground electrical cables, with a success rate that provides a better-than-new warranty. Repairs with our injection technology means no poles to climb and only one-third the exposure to energized primary equipment as compared to traditional line work. Our management prioritizes safety above production and working with Novinium means the opportunity to broaden your skills in a rewarding work environment.

Description:

Linemen with Novinium can be based anywhere in the U.S. and travel from their home to the worksite. The company pays travel expenses and offers a per diem. We currently have 40 openings and you can live wherever you want and travel to the worksite and then be home for a 3 day weekend every other weekend.

- Work safely without any electrical contact incidents or personal injuries and embracing a “below zero incident” safety culture and behavior
- Follow instructions and directives and assist the Team Leader with job planning, hazard avoidance and maintaining daily work records
- Switch medium voltage electrical circuits
- Perform electrical craftwork according to company quality and legislated standards
- Write and implement cable switching orders and manage switching contact with circuit owner
- Perform cable testing and analysis " TDR waveform and RF locating equipment operation
- Place and operate cable injection equipment on de-energized cables in transformers

Requirements:

- Experience in URD, fault location repair, and “switching”
- Current certification as a Journey Lineman
- Valid driver’s license with a good driving record
- Able to perform physical labor and lift up to 50 lbs.

Note: Employer conducts pre-employment background check, drug screening, reference checks and certification check.

Pay Rate: \$28.00 - \$32.00 per hour + excellent benefits package

Please note: **Employer has a preference for hiring veterans/transitioning service members.**
